

VISION 2020 - A PERSONAL PERSPECTIVE Alumni - imMed PhD Program

Thursday, February 21, 2019, 17:30 h
Lecture Hall Y16 G05
University of Zurich, Campus Irchel

Dr. Martin Stucki
Sanofi Genzyme, Baar

Dr. Josua Jordi
EraCal Therapeutics, Zurich

Academia, industry and more

Two imMed alumni and former student representatives with different career paths will share their experiences after their PhD and provide insights into their current work.

Martin Stucki finished his PhD at the Division of Metabolism at the University Children's Hospital in 2010. After exploring different paths in industry and around the world, he is now working as the Country Medical Head Rare Disease and Endocrinology at Sanofi Genzyme, Baar.

Josua Jordi completed his PhD in the field of amino acids homeostasis at the Institute of Physiology in 2013. After 3.5 years as postdoc in Harvard, he launched his start-up EraCal Therapeutics Ltd. (www.era-cal.ch) support by a Bridge- and UZH Bioentrepreneur-Fellowship among others.

The talks will be followed by an apéro where the current imMed students and the imMed alumni will have the opportunity to meet and network.
